OVEN GRATE CLEANER

Gather:

OnGuard
Concentrate
Baking Soda
Vinegar
Dishwasher
Powder
Lemon Oil
Clove Oil
Scrubbing
Paste

Instructions:

Put them in the bathtub Yes, really! Mist them with doTERRA onGuard cleaner concentrate so they're a little damp. Sprinkle with baking soda and mist with vinegar. Watch the foaming action! Pour 1/2 cup dishwasher powder over all and turn on the hot water. Cover the racks with hot water. Add 10 drops each doTERRA lemon and clove oils. Go to bed. Sleep well. In the morning, use a scrubby of your choice and the dirt falls off. Rinse well, and pop them back into the oven. Admire your accomplishment! Clean your oven with scrubbing paste recipe.
