

NATURAL STONE

COUNTER SPRAY

Ingredients:

- 1/2 cup isopropyl alcohol
- 1 1/2 cups water
- 15 drops OnGuard
- 1/2 teaspoon castile soap

Instructions:

1. Combine all ingredients in a 16oz glass spray bottle.
2. Shake well before each use, then spray over the surface. (it's always a good idea to test a small area first)
3. Wipe away with a soft cloth.

Also try Lemon, Grapefruit, or Basil essential oils for this cleaner.
